Dear Pastor,

My wife Teri and I have been privileged to know Hannah Neilly since 2007. We met her whilst working as church-planters in Derry/Londonderry, Northern Ireland.

Since that time, she has become a close friend of our family, and we have had the chance to observe the work that God has done and is doing in her life.

She has evidenced a clear testimony of salvation, strong Godly character, a sweet, servant's heart, and a real burden and desire to take the gospel to the lost.

We are currently overseeing her missions training in conjunction with the Our Generation Training Centre, and we are confident that God is going to greatly use her as an overseas missionary.

We hope that you might give her a chance to present her burden and ministry of assisting missionaries who are involved in evangelism and church-planting. Many missionary couples I personally know would love to have a young lady like Hannah help them in their ministry.

Thank you so much for your time and consideration. If you have any questions, feel free to contact me at tsnode@gmail.com or 07772 206876.
